

beer

lifty lager

Our lightest and most quaffable beer made at the BrewHouse. Canadian Pale, German Munich malt, Czech hops and German lager yeast are blended in this recipe to create a crisp, tasty, golden lager to fit the bill of almost every beer drinker.

grizzly brown ale

A rich and full bodied ale brewed to the southern English brown ale style. English specialty malts and hops are used in the brewing process to make a smooth drinking pint to savor after a long day of skiing on the hills!

big wolf bitter

British brewing techniques and ingredients make for a robust brew made to the Extra Special Bitter style. Lots of English crystal malt is added to the mash, a generous amount of hops for the bittering and flavouring additions in the kettle make for a rich refreshing session pint which any British ale fan will enjoy!

alta lake ale

A blend of premium Belgian malts, plus German and Pacific Northwest hop varieties gives this luscious, copper-hued ale a wonderful complex aroma, a rich depth of flavour and smooth drinkability.

5 rings ipa

Brewed with barley from Canada and the UK this west coast style IPA finds a balance between a solid malt backbone and rich hop character. Generous additions of Centennial and Amarillo hops in the kettle and further dry hopping with Cascade lend an intensely hoppy flavour that will make a light beer drinker beg for mercy!
